**SUPPLEMENT TO JOINT COUNTERPROPOSAL AND  
GLOBAL RESOLUTION OF MM DOCKET NOS. 97-26 AND 97-91**

Heftel Broadcasting Corporation, Metro Broadcasters-Texas, Inc., Jerry Snyder and Associates, Inc. and Hunt Broadcasting, Inc. (collectively the "joint parties"), by their respective counsel, hereby submit a supplement to their proposal filed on December 21, 1998. This supplement consists of two exhibits, Exhibit E, Figure 7, and Exhibit E, Figure 18, that were inadvertently omitted from the Engineering Statement attached to the original filing.

Although the counterproposal was technically correct and substantially complete at the time of filing, the joint parties provide this supplement to illustrate and clarify the counterproposal's substance. The exhibits themselves do not concern the acceptability of the proposal and do not constitute "crucial pieces of information" required to give the counterproposal "full consideration," and thus should be routinely accepted. *See Sanford and Robbins, North Carolina*, MM Docket No. 95-134, 12 FCC Rcd 1, ¶ 7 (1997).

Accordingly, the joint parties ask that the Bureau include these exhibits with the original filing to make the filing complete.

Respectfully submitted,
